

Following pictures of the sample during the composting process are reported (Fig. 4).

**Fig. 4.** Picture of the sample during the test.

The Laboratory is responsible for all information provided in the Test Report, except for information provided by the Customer. The results relate only to the sample tested. When sampling is not performed by the Laboratory, the results refer to the sample as received. When applicable, sample remnant is retained for three years from the date of issue of the Test Report. The partial reproduction of this Test Report is allowed only after written permission of the Laboratory Manager.
